

# assembled lecterns

Our time proven Series 100 & 700, have been the heart & soul of the OS® Assembled Sound Lectern category for 30 years. Series 100 includes the bestselling sound unit in the nation; the **#111PLS Power Plus Full Floor Rostrum**, as well as the popular **#800 & #800X Orator®** Series. State of the art amplifiers, with modern technology features, built into handcrafted thermofused laminate cabinetry, deliver the perfect solution for most small to midsize venues. Series 700 include the **#711 Prestige & #501 Premier** for larger audiences in an auditorium setting.

Introduced in recent years, the **#900 Veneer Series** offers a solution for the most upscale, contemporary venues, includes many high end features, & knocks out enough sound for some of the largest environments.

All choices include multiple microphone options, wired & wireless. AC & DC power capabilities included, as well as many other popular features, & most are packaged for safe, UPS delivery.
